Education

ArtCenter College of Design

2018–2022

Pasadena, CA

Bachelor of Fine Arts in Graphic Design

- TRANSDISCIPLINARY STUDIO at ArtCenter:
Fall 2018
- Type + Authorship
Worked with a team of students from illustration and graphic design departments to create a zine of illustrated works and stories with distribution to various Los Angeles book outlets. I was involved with the design direction, writing, and creation of the product.

New Mexico Institute of Mining and Technology

2013–2015

Socorro, NM

Materials Science & Engineering

Majoring in Materials Science

- Coursework focused on studying the behavior of materials directly linked to their fundamental structures, and how structures and hence properties may be altered through processing.

Experience

Hoi Yeung Seafood Co.

2016–2020

Supply Manager

- I assisted the owner with store management. I also overlooked communication and service between staff and customers. Additional duties included inventory management and graphic work for store signage.

About me

An L.A. native with a background in engineering, I'm a determined and ambitious graphic designer with a specialty for branding and packaging design. Currently searching for creative and fun opportunities to grow in both collaborative and personal environment.
